

Minutes of Joint Meeting of the City Council and Municipal Council of Municipality of Spallumcheen.

Both Councils being fully represented.

Reeve Hassen, being voted into the chair, called the meeting to order and explained that the meeting had been called in order to decide whether the two Councils should find another sum of money to complete the new wing of the Hospital so that nothing would be left unfinished.

Councillor Hunter, chairman of the Hospital Board, expressed the opinion that the job should be completed, especially as they had received a very reasonable offer from the contractors, viz.: \$ 1000.00 for the ground floor. The total amount required would be about \$ 1560.00 for the two Corporations. After some discussion it was decided to endorse the Board's action.

Moved by Councillor Shiells seconded by Alderman Fraser:

- " That the recommendations of the Hospital Board to finish the new wing of the Hospital for Hospital Wards and Nurses Quarters be endorsed and that the two Councils undertake the financing on a Fifty-Fifty basis. "

The Motion was carried unanimously by the two Councils.
